Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the City of Rittman Water Treatment Plan in fiscal year 2022:

The entity to receive funding for this project is the City of Rittman, located at 30 N. Main Street, Rittman, Ohio, 44270.

The funding would be used to replace a 44-year-old water transmission line. The project would be a valuable use of taxpayer funds because it is essential to provide clean drinking water to the entire city of Rittman.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Anthony Gonzalez  
Member of Congress
